Re: *NCUA v. Morgan Stanley & Co.*, No. 13-6705 (S.D.N.Y.) and related actions

Dear Judges Cote, Lungstrum, Wu, and O'Hara:

Pursuant to § (g) of the Loan File Reunderwriting Protocol ("LFRP") (ECF No. 100), and the Courts' July 14, 2014 Order (ECF No. 174) and the Courts' December 12, 2014 Order (ECF No. 230),¹ the parties respectfully submit this status report "as to identification and production by Defendant Groups and third-parties of Loan Files and Guidelines for the Sampled Loans, and as to the status of above-described stipulations." In view of the Courts' March 10, 2015 Order (ECF No. 251) requiring a more detailed status report for Novastar and Nomura, this report has been modified to reflect the fact that NCUA has obtained a sufficient number of Sampled Loans for most of the RMBS certificates in these coordinated actions, and that NCUA does not always propose stipulations for all of the Sampled Loans it has collected. Rather, NCUA attempts to obtain a quantity of loan file and underwriting guideline stipulations sufficient to satisfy its statistical sampling methodology.

I. Collection of Loan Files and Guidelines

A. Defendants' Productions of Loan Files and Guidelines. Pursuant to §§ (b) and (c) of the LFRP, Defendants have identified the Loan Files and Guidelines for the Sampled Loans in their possession, custody, or control that they expected to produce to NCUA. Defendants in aggregate have sent approximately 200 notices to third-parties seeking consent to re-produce Loan Files and Guidelines produced by the third-parties in response to subpoenas in other RMBS actions. Defendants reasonably believe that they have produced all Loan Files and

Guidelines for the Sampled Loans in their possession, custody, or control that they expect to produce to NCUA.²

B. NCUA's Subpoenas for Loan Files and Guidelines. NCUA has issued over 350 subpoenas to third-parties seeking Loan Files and Guidelines for the Sampled Loans. To date, NCUA has collected loan file documents relating to approximately 25,949 of the 26,597 Sampled Loans at issue in these actions. NCUA has also collected thousands of potentially applicable underwriting guidelines. NCUA is processing, Bates stamping (if necessary), and reproducing these documents to Defendants. As of this report, NCUA has produced to Defendants all documents relating to loan files and underwriting guidelines that were produced by third-parties on or before April 24, 2015. NCUA continues to meet-and-confer with third-parties regarding outstanding loan files and underwriting guidelines.

C. Defendants' Subpoena for Loan Files and Guidelines. RBS has issued six subpoenas to three third-parties (American Home, Signature Group Holdings, and Navy Federal Credit Union) seeking loan files and underwriting guidelines. Goldman Sachs has issued one subpoena to a third-party (Greenpoint) seeking underwriting guidelines. Other Defendants have not issued subpoenas seeking loan files or underwriting guidelines.

* * *

The Appendix provides the status of the parties' efforts to collect loan files on a security-by-security basis. Because the parties are attempting to determine the most appropriate Guidelines for the Sampled Loans through the stipulation process, the parties are currently unable to quantify the status of the collection of Guidelines applicable to the Sampled Loans.

II. Stipulations Regarding Loan Files and Guidelines

Pursuant to §§ (e) and (f) of the LFRP, NCUA has proposed loan file and guideline stipulations to Barclays, Nomura, RBS, Credit Suisse, Goldman Sachs, UBS, Morgan Stanley, and Wachovia. The Appendix provides the status of these stipulations on a security-by-security basis. NCUA has not proposed stipulations for all of the collected Sampled Loans because it intends to re-underwrite only approximately 100 loans per security. The parties will cooperate in good faith regarding these stipulations and will raise any issues with the Court.

² Wachovia did not have any Loan Files for the Sampled Loans in its possession, custody, or control.

Respectfully submitted,

/s/ David C. Frederick
